Principal Hutton,

University College.

Dear Principal Hutton:

I send you herewith a letter from Miss M. K. Strong of New Westminster. I have written to Miss Strong saying that I am forwarding her letter to you, as the vacant position comes in University College and is under your jurisdiction.

Yours very truly,

President's Secretary.

Dear Mr President— I beg to report that my expenses to Montreal back for the meetings of the Archaeological Institute at the beginning of this month exceeded by $5 dollars.

Yours faithfully

I beg to recommend that Mr. Ernest Dale be transferred from the Dept. of Greek to that of Ancient History: the date of transference to be the spring of 1894: the salary to be counted as though Mr. Dale were continuing his previous work; that is, at an increase of 100 Dollars
